RE: Your Letter of 5/30/08

Dear Mr. Frei:

In response to your letter dated May 30, 2008, the Board of Selectmen does not have the authority to convene an investigation against any elected official.

While we do not condone Mr. Johnson's actions, we do understand them and you would do well to realize that elected officials do not give up their right to freedom of speech when they take the oath of office.

Sincerely,
