Dear Sir

Under the public information's act, I respectfully request a copy of a larceny that happened at the Police Department in Holland, MA 01521.

Officer Moran reported marihuana missing form the evidence locker. Kevin Gleason, (Kevin P. Gleason), Chief of Police in Holland and officer Moran were the only two individuals who had a key to the evidence locker. John Swift from the state police investigated the larceny. This happened most likely in 2002, or 2001 or 2003.

Different residents have repeatedly accused Kevin Gleason of misconduct since then. I am the owner of the Holland Blog ([www.01521.com](http://www.01521.com)), and intend to write about the incident. I need the report to get the facts straight.

I appreciate your cooperation. If you need to contact me, please do so any time at 413 626 3519.

Sincerely,

Peter Frei
