Re: Public Records Request

Dear Mr. Frei:

Please be advised that the Massachusetts Department of State Police ("Department") has reviewed your public records request, dated April 24, 2009. Specifically, you have requested a copy of the State Police report regarding an alleged larceny that occurred at the Holland Police department sometime between 2001 – 2003.

Given the breadth and scope of your request, you need to provide a more definitive date of the alleged larceny so that the Department can research the same. Please note, that the Department, pursuant to 950 CMR 32.06 and G.L. c. 66, § 10, will charge for the costs associated with researching, copying, and assembling the requested information.

Sincerely,

A handwritten signature in black ink, appearing to read "Joan O'Brien".
