

# Memorandum

To: **TOWN OF HOLLAND RESIDENTS**  
From: **HOLLAND RECREATION COMMITTEE**  
Date: 06/01/09  
Re: **SKATEBOARD PARK**

---

**This notice is to announce that the Skateboard Park (located near Hitchcock Field) in Holland is scheduled to be cleaned out and utilized for other purposes after July 1<sup>st</sup> 2009.**

**This is due to insurance exposure to the town, limited funds (for building and upkeep) along with lack of adult supervision of users in the park.**

**It is the Recreation Committee's hope to utilize this space for other activities that would better benefit the youth of our town.**

## **NOTE:**

**These plans may change if a parent Committee is formed and an individual comes forward as the Skateboard Park Representative on the Recreation Committee. Then a plan MAY be worked on and POSSIBLY implemented to keep the area open as a Skateboard Park. Anyone interested should contact Erik Iller at 245-3053 by June 9th and plan to attend our next meeting on Tuesday June 9<sup>th</sup> at 6:30 at the Skate Park.**
