

# TRI TOWNS COMMUNITY ASSISTANCE PROGRAM FY 2010 PLANNING AND PARTICIPATION

TO: Residents of Brimfield, Holland and Wales  
FR: Your Selectmen

Subject: Participation in Planning the Next Community Development Block Grant (CDBG) Program

*Nearly every year* the “Tri Towns” join forces to seek CDBG funding for such activities as housing rehabilitation and septic system repair; support for the Tri Town Domestic Violence Prevention Task Force; development of engineering plans and implementation of drainage and road improvement projects and for the removal of architectural barriers in public facilities, and the construction of senior centers.

*Your participation is essential.* State and federal regulations that provide financial support for these and other activities *requires* that residents representing a range of incomes and interests participate in the planning and selection of activities for each year’s grant application.

*If you are willing* to take just 2 or 3 evenings and a Saturday morning between now and late November, please contact your selectmen’s office and leave you name and how to contact you.

**Brimfield**, 413-245-4100 email: [brimfieldbos@aol.com](mailto:brimfieldbos@aol.com)

**Holland**, 413-245-7108 email: [selectmen@townofholland.necox.mail](mailto:selectmen@townofholland.necox.mail)

**Wales**, 413-245-7571 email: [select@townofwales.net](mailto:select@townofwales.net)

**Please volunteer immediately! The responsibility is an important one and the process will be interesting and requires no homework!**
