Dear Town Barn Workers,

Thank you for plowing our playground. We really love playing on the huge snow piles. It is also fun because we get to make slides and snow forts. Thank you for making paths for us and not hitting the playground equipment.

Your Friend,

Grace

Dear Town Barn Workers,

Thank you for plowing are playground  
You are so nice for plowing are play  
ground. I love the hills of snow. The  
big one in the mittle is so hard to get  
up because people are all over it. Some  
people are so mad because they don't  
have snow pants and boots. People with  
boots can go on the hills but can't  
roll down it.

Sincerely,  
Mya Mero

Dear Board of Selectmen, 2/4/11

I want to pass on my sincere accolades to our highway department. They have done an outstanding job for us thus far this crazy winter and I want you and them to know that I value and appreciate the fine work they do.

I would also like to compliment a young, pipe smoking gentleman who often plows Craig Rd. where I live. He is very kind and gracious and a fine employee.

An Appreciative Town Resident,  
Amber Boucher, 14 Craig Rd.

Highway Department  
Town of Holland  
27 Sturbridge Road  
Holland, MA 01521

Dear Sir,

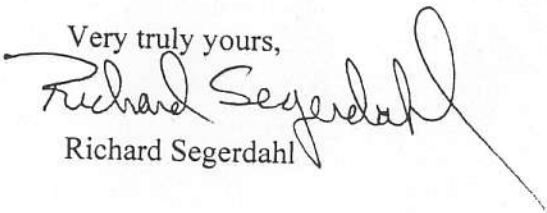

I live at 29 Hamilton Drive in Holland and would like to commend the Highway workers who have been plowing my road during this winter and winters past.

Even though we on Hamilton Drive live on a dead end street the plow drivers have always worked hard to plow our street and allow us access up the steep hill.

I know in this world we live in it is easy to criticize but I must commend the hard working Town of Holland Highway Department for their diligent and commendable work during this most difficult winter.

Thank you.

Very truly yours,
