PLAINTIFF'S MOTION FOR SHORT ORDER OF NOTICE RE:
PLAINTIFF'S MOTION FOR PRELIMINARY INJUNCTION

Now comes the Plaintiff in the above matter who requests that this Court enter a short order of notice for a hearing on the Plaintiff's Motion for Preliminary Injunction. As grounds for this request the Plaintiff states that an expedited hearing is necessary to avoid further irreparable harm to the Plaintiff by the continued publication by the Defendant of libelous and defamatory statements about the Plaintiff.

Wherefore the Plaintiff requests that this honorable Court enter a short order of notice for a hearing on the Plaintiff's Motion for Preliminary Injunction for the earliest possible date and time convenient for this Court.

In support of this Motion annexed hereto is the Affidavit of the undersigned.
