RE: Public Record Request  
M.G.L. c.66, s.10

Dear Town Clerk

Pursuant to the provisions of G.L. c.66, s.10, I'm requesting the Town of Holland to provide the documents described below.

- Copies of any and all documents filed by the ZBA and/or Brian Johnson in connection with his proposed projects with application number 1560, 1599, and 1600, excluding the actual application for application under the number 1560 filed on October 28, 2014. My request includes all documents required to be filed pursuant provisions under M.G.L. And local bylaws.
- Confirmation of Johnson's request to change any of the applications from an application for a variance to an application for a special permit if Johnson made such a request.
- Copies of notifications filed by Johnson within the next 30 days, that any or all of his applications became constructively approved due to the ZBA's failure to act.

In case there are no documents field to notify you, the town clerk, that any of Johnson's public hearings were continued, I request an answer stating so. I recognize that you may charge reasonable costs for copies, as well as for personnel time needed to comply with this request. If you expect costs to exceed \$10.00, please provide a detailed fee estimate.

As you know, the Public Records Law requires you to provide a written response within ten (10) calendar days. If you cannot comply with my request, you are statutorily required to provide an explanation in writing.

Thank you for your assistance.

Sincerely,
