1. At approximately 10:07 p.m., on Thursday, June 24, 2010 I, Corporal Jeff Forcier was dispatched to the area of 208 Mashapaug Road and Union Road for a report of a vehicle off the road in a ditch, with unknown personal injury. I activated the emergency blue lights and audible siren and proceeded to the above location arriving approximately 4 – 5 minutes later.
2. Upon arriving at the corner of Mashapaug Road and Union Road, I observed an unoccupied blue Ford Explorer SUV bearing, Massachusetts Registration # 98JV51 stuck on a stump. This vehicle appeared to have crossed completely into the opposite lane of travel and came to rest upon a stump which was approximately five to ten feet off the roadway in the wood line. This vehicle appeared to cause slight damage to the grass area and stump located on Union Road, which is a public way owned by the town of Holland. A person later identified as Scott Balderelli was attempting to attach tow chains from his vehicle to the unoccupied SUV. I questioned Balderelli and he told me he did not know who the vehicle belong to, but his wife (Diane) had just asked him to tow the vehicle off the stump. I asked Balderelli if the SUV belonged to him; he said no and again stated his wife had asked him to help get the MV off the stump, but he did not know anything about the registered owner and the person was gone when he arrived to tow it. It should be noted during my conversation with Balderelli he appeared to be exhibiting nervous indicators, his speech was stuttered and he made little eye contact with me. While speaking with Balderelli, I asked (C8) dispatch to run a listing on the SUV and found it was registered to a Holland resident named Alexander Haney. I had prior knowledge that Haney and Balderelli were friends, because earlier this evening at approximately 7:06 p.m., I was dispatched to Haney's residence for a medical call involving his mother. Mrs. Dianne Balderelli arrived at Haney's residence driving Haney's SUV without him being present. It should also be noted during this time Haney's live in girlfriend told me it was better he stayed where he was, because he had been drinking all day and he would only complicate things. Additionally, I had conversation with Haney earlier this day at approximately 6:17 p.m., while I was investigating a separate incident involving his son. At that time, I observed his eyes were red and glassy, his speech was slurred and he was exhibiting very aggressive behavior by yelling and swearing using the word fuck multiple times. I advised Haney if he continued to yell and swear he may create a breach of the peace and be subject to arrest. See incident # 10-67-OF and 10-68-OF. It was during this time, I also learned Haney had just recently lost his job, and was experiencing domestic issues with his live in girlfriend.
3. While speaking with Balderelli an unidentified resident of Union Road approached me and told me he just heard someone running through the woods behind his house, which was in close proximity to this accident location. I developed concern for Haney's safety/ welfare and formed the opinion he may be in need of further medical attention, if he had been operating the SUV and fled on foot when he heard the sirens approaching. Therefore, I radioed C8 and requested a State Police K9 unit for suspect tracking and I began a perimeter search. I also requested One Stop Auto be dispatched for the tow and I took digital photos of the property damage – see attached.
4. MSP Troopers Lablanc and Quirk arrived to assist in addition to the covering MSP K9 unit. The K9 immediately picked up a track and the K9 Trooper told me the dog tracked the scent across the street from our location up a hill to a house. I knew the house to be # 6 Pleasant Street which is the residence of Balderelli - the person who was attempting to tow the SUV (Mr. Scott and Mrs. Diane Balderelli). Trooper Lablanc and I went to this residence and we had conversation with Scott Balderelli. I informed Balderelli the dog had traced Haney's sent right up to his house. I further explained the reason for our concern and I advised him of my community caretaking obligation with regards to Haney possibly being sick or injured. It was at this time,

Balderelli told me he understood, and Haney did make it to his house while we were searching for him. Balderelli (Scott) told me Haney was not injured and no longer present in his house, because he told him he had to leave and could not stay. I asked if we could enter his residence to be certain and Scott said we could, because he wanted to prove to us that he was telling the truth. Scott escorted us throughout the house and we had negative contact with Haney. During this time, I had conversation with Ms. Diane Balderelli and she told me Haney called her and told her he was driving his car and got it stuck on a stump and he wanted help from them towing it back onto the road. Diane further said Haney had been drinking alcohol all day and she was concerned for him, because he has a very bad case of diabetes and alcohol has a lot of sugar. She also told me he did go to their house while we were searching for him, but they told him he could not stay there. She told me he left and walked through the woods and called her from behind PJ's bar asking her to go pick him up. Diane stated she told him she would not do that and he should walk out into the road and turn himself in, because the police were still looking for him. Diane further informed me she had taken Haney's girlfriend to the Harrington Hospital to see his mother and was with her all night, just incase Haney tried to lie and say he was not driving the vehicle, his girlfriend was. This information was consistent with incident # 10-68-OF.

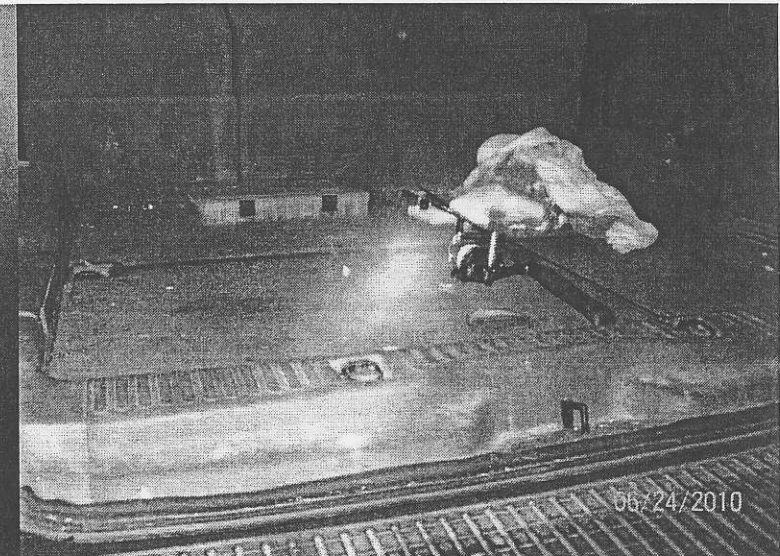

5. At approximately 12:06 a.m., One Stop arrived on scene for the tow and they removed the vehicle. As a result of the above incident, I recommended a twelve hour hold be placed on the vehicle.

6. On Saturday June 26, 2010 at approximately 11:16 a.m., I issued Haney a Massachusetts Uniform Citation/ Criminal Application # M6674890 for 90-24/C Leaving the Scene of a Property Damage accident. It should be noted that I made an error on this citation and listed the date of citation as 6-29-2010 instead of 06-26-2010. Upon receiving the citation Haney said " I didn't think I caused any property damage." I informed him the grass had been disturbed, the tree stump had been marked and his vehicle was damaged which was also considered property as it relates to this charge.
